

2011-2012

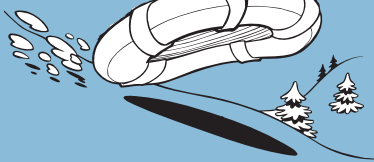

SNOW TUBING @ BIRCH HILL

Snow Tubing is a great thrill!

No experience is necessary simply hop in your tube, push off, and enjoy the ride down one of our 800 foot long runs. A tube lift makes the ride back to the top easy.

TUBE HILL

WARNING: SNOW TUBE AT YOUR OWN RISK

There are risks associated with this activity including, but not limited to: speed; changing weather; terrain; surface and sub-service conditions; collisions with other tubers, natural and man-made objects; and lack of directional and speed control.

- One rider per individual tube
- Follow attendants; instructions
- Wait for attendants; signal before starting
- Immediately leave the stopping area to avoid approaching tubes
- Hold onto the tube handles with both hands
- Wear tube ticket so as to be visible to attendant
- All participants must have a tubing ticket
- No tubing on ski/snowboard slopes
- Tubing on rental tubes only
- Tube Park may close at any time due to changing conditions
- Tubing while impaired or intoxicated is not allowed

•By purchasing a tubing ticket you assume the risk of all injuries!*

Minimum age requirement is 5 years old and height requirement is at least 40 inches tall.
Five and six years old must be accompanied by an adult in a separate tube.

Remember, this is a Snow Tube Park and when closed may not be used as a sledding hill!
