#### Home Schooling

##### Alaska Laws

According to the State Department of Education web site  
<http://www.eed.state.ak.us/faq.html#A13>

“Children schooled at home by their parents or guardians are exempt from the Compulsory School Attendance Law. Parents are not required to register with the state or their local school district, and no testing or other requirements are placed on home schools not funded with public dollars.”

Monetary support from the state is available through school district-sponsored home school programs, such as those listed below.
